

Provider/Stakeholder Training on Medicare Part D

Beginning November 15 Medicare beneficiaries will again have an opportunity to select a prescription drug plan. The Pennsylvania Department of Aging APPRISE Program, the Centre County Area Agency on Aging, and the Centers for Medicare and Medicaid Services will present a series of training programs across the state for providers and other stakeholders who assist individuals in selecting a prescription drug plan. The training sessions will include an update on the status of the Medicare Prescription Drug benefit and changes that affect beneficiaries.

The ten sessions begin on October 16 in Whitehall and end on October 27 in Erie. The complete list of locations and the registration form are on the following pages. Those interested in attending any of the sessions should complete the registration form and register by telephone (814-355-6716), fax (814-355-6757), or email (jafurfar@co.centre.pa.us). Please address questions about the sessions to Judy Furfaro at the Centre County APPRISE Office (814-355-6716).
