

PROMISe Behavioral Health Teleconferences

The Office of Medical Assistance has announced a series of "provider specific" conference calls. Three of the scheduled sessions will be specific to behavioral health providers and PCPA members are encouraged to participate.

Each conference call will last approximately one and a half hours and will address the following items:

- Provider Enrollment Review
- Suspense Processing and System Related Items
- Billing Tips and Helpful Hints
- Understanding the Remittance Advice

Providers will have a chance to ask questions and raise additional questions at the conclusion of each conference call.

The behavioral health specific sessions are scheduled as follows:

- Friday, June 11, 2004 – Behavioral Health Rehabilitation Services
- Wednesday, June 23, 2004 – OMHSAS - Community Support Services (Mental Health)
- Wednesday, July 14, 2004 – Outpatient (Mental Health, Drug & Alcohol, Partial Hospitalization)

Other sessions that may be of interest include:

- Wednesday, June 9, 2004 – Physicians
- Tuesday, June 15, 2004 – Provider Enrollment

All teleconferences begin at **1:00 p.m.** Since the teleconference format can accommodate only 100 participants per session, it is important that you register early for your session.
