

**MAIN LINE REHABILITATION
ASSOCIATES, INC.**

Cognitive Rehabilitation Therapy: Clinical Strategies and Evidence Based Practices

Main Line Rehab Associates will be hosting a free conference titled:

Cognitive Rehabilitation Therapy: Clinical Strategies and Evidence Based Practices

Join us for this exciting free conference to learn about home and community based Cognitive Rehab Therapy. We will examine evidence based best practices and describe an integrated and holistic model of CRT. Our presenters will review the guiding principles of CRT and highlight the long term outcomes, different treatment approaches, and overall value of the service for any individual with cognitive issues.

To register, please email outreach@mainline-rehab.com

After you register, you will receive an email with confirmation of registration and the brochure.

This program will offer 3 credit hours of continuing education for board certified **CCM and CRC**.

Attendance hours may also be applied towards certification requirements for **ACBIS** continuing education credits.
