## Meeting Invite: RCPA Finance and Reimbursement Committee Meeting

We anticipate that the Department of Human Services (DHS) Office of Development Programs will be releasing a template this week for provider reporting use of CARES Act funds. We plan to provide an overview of the DHS Expense report and discuss the provider perspective as considerations for the preparation of the report. The [meeting](#) will be Wednesday September 16, 2020, 9:00 – 10:00 am. You can register [here](#).
