## Remote VCU SSA Certified Benefits Counseling Training

Virginia Commonwealth University (VCU) will be offering the Social Security Administration (SSA) certification for Benefits Counseling remotely.

From VCU:

If you are interested in participating in the CWIC and Community Partner Initial Training and Certification process, please visit our website to be sure you meet the requirements. You can do that by reading the [Participation Requirements and Priorities web](#) page. You will see one of the requirements is to complete the [Introductory Web Course](#). If you haven't completed that course, you will need to do that before you can register for a CWIC and Community Partner Initial Training. Go to the [Introductory Web Course upcoming trainings page](#) to find a list of upcoming trainings and the steps to register (listed at the bottom of the page).

There is no cost for any of our trainings or certification.

If you have any other questions, please contact our Director of Training and Certification, [Molly Sullivan](#), or 503-703-3650.
