

CoBI Clinical Forum Series presents:

**Traumatic Brain Injury as a Result of Domestic Violence:
Education, Screening & Model Practices**

Thursday, September 21st 3:00 - 4:30pm

A presentation and discussion of best practices with

Fern Gilkerson, MA

Fern Gilkerson, MA manages programming on intersections between health and relationship violence. At the Pennsylvania Coalition Against Domestic Violence (PCADV) she specializes in adolescent relationship abuse prevention and intervention, and thrives on energizing stakeholders to work in partnership. Fern also coordinates the Medical Advocacy Task Force, and provides trainings and technical assistance on programming that intersects health care and domestic violence advocacy. She is in the midst of writing a brand-new toolkit on the topic. Fern authored the PCADV traumatic brain injury and domestic violence toolkit and eight compatible e-learning modules, and was a core PCADV Prevention Team member for seven years. She has managed grants funded by the U.S. Department of Health and Human Services Office on Women's Health, the Center for Disease Control Foundation, and the Pennsylvania Department of Health. For the National Resource Center on Domestic Violence, Fern co-authored *Birth Doulas and Shelter Advocates: Creating Partnerships and Building Capacity* and has recently co-authored and published an article in *The Journal of School Health* titled, "School Nurse-Delivered Adolescent Relationship Abuse Prevention."
