ODP Announcement
Certified Investigator Forum
March Date
Now Available

ODP Communication Number: Memo 024-18

The mission of the Office of Developmental Programs is to support Pennsylvanians with developmental disabilities to achieve greater independence, choice and opportunity in their lives.

AUDIENCE: State and Non-State Intermediate Care Facilities for Individuals with an Intellectual Disability (ICF/IIDs), Administrative Entities (AEs), Supports Coordination Organizations (SCO's), Support Coordinators (SCs), Direct Service Providers and Contracted Entities that conduct or perform oversight of Certified Investigations.

PURPOSE: To communicate to the above entities that Temple University's Institute on Protective Services will be facilitating a Forum for Certified Investigators (CIs).
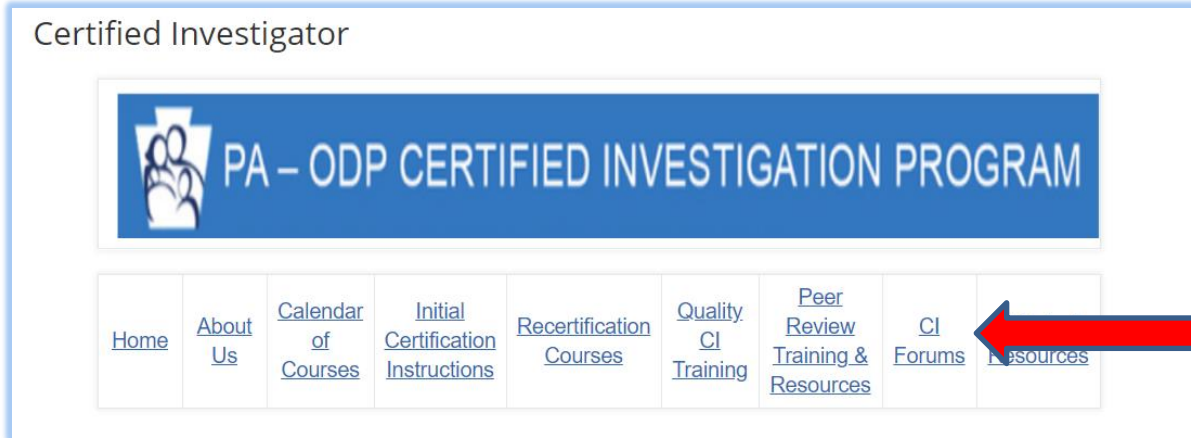

DISCUSSION:

Temple University's Institute on Protective Services is the entity contracted to deliver the ODP Certified Investigators Program. ODP and Temple University are conducting Certified Investigator Forums. These forums are an opportunity for current Certified Investigators and other interested parties to receive up to date information. ***The featured topic for this session will be Peer Reviews (that are being completed by Temple) and updates on the Administrative Review course***. This call will also allow participants to network, share best practices, and receive technical assistance in an effort to improve the quality of all investigations.
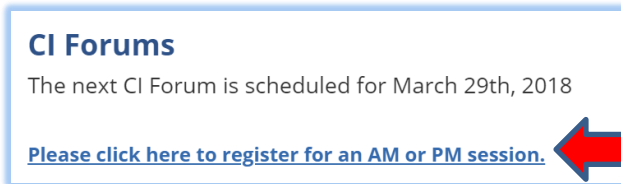

The next session is **scheduled for March 29th, 2018. There will be two sessions available during the day.** If desired, participants may register for both sessions. CI program updates will be the same but other content will be dependent on participant inquiries. Participants can submit questions prior to the session to Sarah Naughton sarah.naughton@temple.edu.

How to register for the CI Forum:

1. Navigate to: www.myodp.org
2. Follow the path : Training – Certified Investigator
3. Log into myODP (If you do not have a myODP account, you can create one on this page)
4. Click on the CI Forums link

5. Click on the link for the most recent CI Forum.
