Good afternoon.

Representatives from the PADOH COVID-19 Vaccine Task Force are holding an Office Hours session on **Friday December 4, 2020 from 3-4pm** to provide information and take questions related to provider enrollment and the provider agreement.

We are planning to dedicate the first 15-20 minutes to provide information, followed by Q&A.

Please forward to anyone else who should be part of the call. We had a great turnout for our first session but unfortunately we have a limit to the number of participants we can accommodate. We anticipate covering much of the same information as in our first session so it is our hope this will provide an opportunity for those who were not able to join our previous call to join this one and hear the information first hand.

The meeting information is below. As a reminder, during the call please ensure you keep your phone/microphone on mute unless you are actively participating in conversation.
