

LANGUAGE & STIGMA

WHY OUR WORDS MATTER

January 26, 2020 / 3 PM ET

[Register Here](#)

The Life Unites Us Campaign is on a mission to reduce stigma around opioid use disorder throughout Pennsylvania.

Join us for our monthly webinar on how language affects stigma.

In this webinar, participants will:

- Better understand the impact that language has on stigma and why our words matter
- Gain expert insight and learn about tools to combat stigma
- Connect with committed individuals and peer organizations across Pennsylvania

Our featured Speakers:

John Kelly, PhD, ABPP
Elizabeth R. Spallin
Professor of Psychiatry,
Harvard Medical School;
Director, MGH Recovery
Research Institute

Matthew Stefanko,
Director, National Stigma
Initiative Shatterproof
