

## Direct Support Professional Awards 2020

### 2020 DSP Awards

DSPs have been one of the critical groups at the forefront of the fight against COVID-19. To show our appreciation, MITC announced in April of 2020 that we would give away \$10,000 to 31 hardworking and dedicated DSPs who were nominated by someone from their agency.

MITC values the hard work put forth by DSPs every day, and hopes to show our appreciation through these prizes!
