## GROWTH HORIZONS, PAHRTNERS DEAF SERVICES AND SALISBURY BEHAVIORAL HEALTH NOW UNDER MANAGEMENT OF RHA HEALTH SERVICES

RHA Health Services is pleased to announce that as of January 15, 2021, Growth Horizons, PAHrtners Deaf Services, and Salisbury Behavioral Health in Pennsylvania have become part of the RHA family. Leaders at RHA are working closely with company leaders in Pennsylvania to ensure a smooth and seamless transition in management without any interruption in service delivery.

“We are excited about our new relationship with Growth Horizons, PAHrtners and Salisbury Behavioral Health,” said Jeanne Duncan, RHA’s Chief Executive Officer. “Like RHA, these companies have a history of providing high-quality services and we are excited to carry forward our shared commitment to helping people with intellectual and developmental disabilities, those who are Deaf and hard of hearing, and those with mental health and substance use needs live their best lives.”

In their new management relationship with RHA, Growth Horizons, PAHrtners Deaf Services and Salisbury Behavioral Health will continue providing services as usual with systems and operational support from RHA.

### About RHA Health Services

Founded in 1989, RHA Health Services began as a small provider of support services to people with intellectual and developmental disabilities in North Carolina. Over the years, we have expanded to include a broad range of disability services and we continue to add other types of services to meet our communities’ needs. In 2006, RHA began offering behavioral health services and is now a leading provider of high-quality supports and services for people with a wide variety of mental health and substance use needs.

RHA provides holistic, person-centered services and supports, guided by a system of values that puts the needs of the people we support at the center of every decision. In addition to our new presence in Pennsylvania, RHA Health Services also operates in Georgia, Florida, North Carolina and Tennessee and employs more than 6,000 people. RHA’s top-notch Quality Assurance Program is constantly finding new and innovative approaches to raise standards of care for those we support. RHA has been accredited with the Council on Quality and Leadership (CQL) since 2001. Our Person-Centered Excellence Accreditation from CQL is based on rigorous, ongoing assessment and confirms our organizational commitment to embracing person-centered solutions to improve the quality of life for people receiving RHA supports and services. RHA also has programs accredited with the Commission on Accreditation of Rehabilitation Facilities (CARF) International.
