7/8/2021	10:00 AM - 11:00 AM	<a href="#">Using Technology to Navigate Everyday Life in a Way that Matters</a>	Telehealth. Zoom fatigue. Digital Learning. Whether we like it or not, 2020 has taught us many lessons including how much we rely on and need technology to navigate daily life. Are the individuals you support using technology in the same way you do? Could you approach activities differently if you incorporated technology? This training will attempt to explore the depths of technology and apply it to everyday life so that it is meaningful to the person you support.	All Professionals in the Field	Virtual Targeted Training on Columbus GoTo Platform
7/12/2021	10:00 AM - 11:30 AM	<a href="#">Adult Autism Waiver (AAW) COVID-19 Update</a>	The purpose of the meeting is to provide updates on COVID-19 activities, answer questions and provide support. These meetings are held for all ODP providers of AAW Services. The Virtual Office Hours (VOH) starts with an overview of any new ODP Announcements and also includes a) highlights of new practices, b) a review of topics and questions sent in advance, and c) a discussion of any concerns that have come up in the past few weeks. Providers will be able to ask questions directly of AAW Regional Office (RO) Representatives.	All Office of Developmental Programs' (ODP) AAW Providers	Virtual Office Hours on Columbus GoTo Platform
7/15/2021	1:00 PM - 2:00 PM	<a href="#">Charting the LifeCourse: What Tools to Use and When?</a>	Charting the LifeCourse is an incredible framework that transforms the way we think about supporting individuals and families. This framework has many different tools and resources available to use when organizing, planning, and sharing one's vision for their life. During this training we will share some ways to identify how to use the LifeCourse tools to meet the needs of those you support. We will also share a new resource that will simplify the way that individuals, families, and providers can identify which Charting the LifeCourse tools could be helpful when supporting different Life Domains.
