L.E.A.D. the Way to Healthy Relationships

Saturday November 6, 2021 10:00 am—12:00 pm

Family Members attending the workshop will be welcome to attend a 30 minute family-only networking opportunity after the presentation.

Join PA Family Network Advisors as we plan and problem solve for your loved one with intellectual disabilities and/or autism to have successful relationships by:

- identifying possible ways to apply LifeCourse Framework and Tools in useful, flexible, and simple ways;
- discussing strategies on how to define a friend and establish appropriate boundaries in relationships;
- introducing consent and sharing steps to help mitigate their risk of being taken advantage of;
- suggesting information to adapt our loved one's level of understanding and ideas for application in real life.
