The Office of Developmental Programs (ODP) is facilitating a virtual table-top exercise (VTTX) supporting ICF/IID facilities. Orchid Phoenix 2022 will be a single day exercise that is tentatively scheduled to be held during the August/September timeframe.

To register, please use this link – Orchid Phoenix 2022 Registration – or the QR code below.

Registration for the 2022 Orchid Phoenix will close Friday, 05/27/2022, at 5:00pm. Once registration has closed, those registered will receive communications through the email provided on the registration form.

Some additional information is provided here for consideration prior to registering:

- Submission of the registration form serves as the registration process for a single facility in the 2022 Orchid Phoenix TTX.
- A separate form must be submitted for each facility.
- For providers operating multiple ICF locations, each ICF location must have site-specific representatives participating for this exercise to be counted toward the annual requirement. *At a minimum*, site-specific participants should be representative of the following functional groups:
    - Facility Administration
    - Nursing Management
    - Operational/Support Staff

If you have questions about the registration process or the overall exercise, please contact RA-PWODPEMRGNCYRSPRQ@pa.gov.
