Reminder to Contact Your Legislator to Fund County Mental Health

RCPA and the Coalition for the Mental Health Safety Net have been working diligently, asking legislators to **at the very least** fund the governor's county-based mental health funding line of \$36.6 million. We need you and your colleagues to reach out and ask your legislator to sign the [sample letter](#), then send to either Representative Michael Schlossberg (D) or Representative Rosemary Brown (R) of the Mental Health Caucus, showing their support for the county mental health funding line item. The letter can be modified as needed. The Coalition thanks you for contacting your legislator and asking for their support.

Please reach out to [Sarah Eyster](#) or your Coalition contact for more information.
