Thanks, Julie. Yes, we have some other contact on this.

[@Frick, Charles](#) can we get the complete list of procedure codes with decreases with the prior published wage & current to Rick so he can remedy with Mercer

Did we publish different wages for VF/EA than AWC or are these problematic in both wages range publications?

I'm not sure if others within ODP are also emailing you about additional procedure codes identified in VF/EA where the high end was reduced.

Hey Julie, in addition to the ones in the email, the following rates were also reduced for VF/EA:

W9863/8095/9799/9801 - the upper bound w/ benefits went from 31.93 down to 31.83

Good Morning,
I hope you don't read this until Monday.

I've been getting calls and emails from my clients whose participants qualify for enhanced services but not enhanced communication services, as well as my Homemaker and Chore clients. They are concerned because the memorandum with the new rates stated that there were no decreases in wages but there were. I'm wondering if this was a misprint. I'm not sure who to send them to, as they want to email ODP about their staff getting pay cuts when others are getting raises.

Would you please let me know if this was a misprint and if it wasn't, can you let me know who at ODP they would send their concerns too?

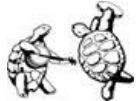

Thank you

All the best

Susan
