Rick,

During our last meeting we discussed getting back together again after the 20th to discuss survey results and more importantly revised rate setting assumptions. Can we set up this meeting?

Thank you,

Rick,

Per your request, please find attached a simplified staffing hours survey based on the daily staffing hours planned/scheduled on:

- An average “without day” day
- And an average “with day” day

The first tab is the survey template. The second tab is an example of how to fill it out based on a few real life scenarios.

Best regards,

Thank you.

Below are also a few answers from questions from the last meeting...

Which assumption are dedicated training staff and schedulers captured in? This would be captured in the Other Program Staff wages cost category, if it applies to the service. If the training and scheduling staff is not specific to a service, these costs would be covered by the administrative factor that is built into each service fee.

Other program staff or admin? Same as above.

Do we have a more detailed description of the costs captured by the admin % assumption? The administrative factor captures costs related to operations and not related to the direct provision of services (e.g., administrative staff, executive leadership, accounting, human resources, office supplies, office leases, etc.). This is consistent with the factor definition from CMS ([Slide 1 \(medicaid.gov\)](#)).

Chris – This is a very helpful analysis

Rick – When developing this (and other) assumptions please consider that these historic costs have increased considerably with inflation and we anticipate they will not decrease back to Feb. 2020 levels. For example:

- According to the Bureau of Labor Statistics consumer price index, the cost of a new vehicle has increased by 6.8% since February 2020. The cost of used cars has increased 41.7%.

Good morning,

I wanted to add to the discussion yesterday about CPS and in particular the transportation costs. I pulled our transportation/vehicle related costs in one of our CPS service locations from July 2019 Through Feb 2020 and annualized it for a full fiscal year. This location, as can be seen below, was right at 25% of time in the community in terms of total units provided thru Feb 2020. I then pulled our client census as of February 2020. What can be seen is that for 3 individuals within this CPS program, which was out in the community 25% of the time, our transportation costs were roughly \$11,000. This is more than double the assumption of \$5,000. Therefore, if we just rollforward using an index the \$5,000, we will still be drastically short in terms of the costs it takes to take our clients out into the community. If you have any questions about this, please let me know but I think it is important to capture the true costs we are seeing when spending time out in the community.

Expense	YTD Feb FY20	Annualized YTD Feb FY20
Vehicle Insurance	\$ 87,287	\$ 130,885
Motor Vehicle Repairs	\$ 74,861	\$ 35,992
Fuel, Parking, Tolls	\$ 40,326	\$ 60,639
Vehicle Interest	\$ 9,240	\$ 13,874
Depreciation - Motor Vehicles	\$ 19,911	\$ 71,866
Total Vehicle Costs	\$ 231,504	\$ 317,256
Client Census Feb FY20	87	87
Vehicle Costs / Client	\$ 2,661	\$ 3,647
Vehicle Costs X 3 Clients	\$ 7,995	\$ 10,940

Good morning Rick,

Thanks for sending this. I should have asked this last meeting but I was wondering if we could add a quick discussion to the agenda. There are a number of us who are new to working through this process with you, so what are the goals that ODP hopes to accomplish from this workgroup? More importantly, what are the goals that ODP hopes to accomplish through the rate refresh process?

Thanks and I look forward to the discussion,

Good morning,

Here is a rough agenda for the Non-Residential discussion tomorrow from 12-2...

- 30 min – Follow up from initial meeting (Rick)
 - TPA Survey Questions
 - Current BLS Data
 - Current assumptions versus historical cost reports

- 90 min – Discussion of service level assumptions
 - CPS
 - IHCS

Supported Employment
Nursing
Housing Tenancy & Transition Sustaining
Other non-res service priorities

For those of you attending in person, we have reserved room 327 which will hopefully give us sufficient technology to make a hybrid meeting work. Look forward to the discussion.

Thanks,
Rick

Subject: ODP Financial Workgroup

Thank you for agreeing to be part of our financial workgroup. The main task of the workgroup is to provide current input and perspective on ODP's fee schedule rate assumptions. The existing rate assumptions can be found at <https://www.dhs.pa.gov/providers/Providers/Pages/ODP-Rates.aspx>. If you are not familiar with these assumptions, I would ask that you review them prior to the first meeting. We anticipate scheduling a 1-hour kickoff meeting where we talk through process and expectations and two longer meetings (2-3 hours) where we get into details of the assumptions, probably focusing on non-residential services at one meeting and residential at the next. The kickoff meeting will be virtual, but depending on feedback, we may want to schedule the detailed meetings with an in-person option. Please let me know if **Thursday Aug 19 from 3-4pm** would work for the initial meeting.

Best,
Rick
