Rick, I know not everyone on the group provides AWC, but is that apart of this rate refresh as well? There are similar issues in that line of service that we are experiencing in CPS, Residential, etc.

Good morning Rick,

Thanks for sending this. I should have asked this last meeting but I was wondering if we could add a quick discussion to the agenda. There are a number of us who are new to working through this process with you, so what are the goals that ODP hopes to accomplish from this workgroup? More importantly, what are the goals that ODP hopes to accomplish through the rate refresh process?

Thanks and I look forward to the discussion,

**Subject:** ODP Financial Workgroup

Thank you for agreeing to be part of our financial workgroup. The main task of the workgroup is to provide current input and perspective on ODP's fee schedule rate assumptions. The existing rate assumptions can be found at <https://www.dhs.pa.gov/providers/Providers/Pages/ODP-Rates.aspx>. If you are not familiar with these assumptions, I would ask that you review them prior to the first meeting. We anticipate scheduling a 1-hour kickoff meeting where we talk through process and expectations and two longer meetings (2-3 hours) where we get into details of the assumptions, probably focusing on non-residential services at one meeting and residential at the next. The kickoff meeting will be virtual, but depending on feedback, we may want to schedule the detailed meetings with an in-person option. Please let me know if **Thursday Aug 19 from 3-4pm** would work for the initial meeting.

Best,

Rick
