

## Celebrate Your DSPs with the 2023 DSP Awards

DSPs are a vital part of agencies everywhere.

MITC is awarding **\$5,000 in September** to Direct Support Professionals (DSPs) who stand out and go above and beyond to provide exemplary service.

MITC values the hard work put forth by DSPs every day and is hoping to show our appreciation through these prizes!

Your participation is important—it shows DSPs that you appreciate their hard and, at times, dangerous work.

### Three prizes will be awarded:

- **First place prize of \$3,000**
- **Second place prize of \$1,500**
- **Third place prize of \$500**

We will share the awardees' stories with providers. The winners will be announced during DSP Recognition Week in September 2023.

**The deadline to nominate a DSP is August 1st, 2023.**
