  - Increased annual limit for Transportation Trip
  - Day Habilitation – replacement of individual variance requirement
  - Supplemental payments (Tech, Staff Training/Credentialing)
- Assistive Technology/Remote Supports Equipment and Technology
- Increased annual limit for Public Transportation

# Supplemental Payments for Recovery & Service Expansion: Community Participation Supports

Tiered one-time supplemental payments will be available based on provider recovery or expansion status as of June 2023 in the following amounts:

<b>Standard for payment eligibility</b>	<b>Payment Amount Per Individual Receiving CPS</b>
<b>Providers exceeding pre-pandemic service capacity*</b>	<b>\$2,500</b>
<b>Providers achieving 75-100% of pre-pandemic capacity</b>	<b>\$1,500</b>
<b>Providers achieving 50-75% of pre-pandemic capacity</b>	<b>\$1,000</b>
<b>Providers achieving under 50% of pre-pandemic capacity</b>	<b>\$ 500</b>

\*Provider recovery or expansion status is determined by comparing the provider's pre-pandemic number of program participants (discrete participants in service during FY 2019/2020 with the number of participants in service during FY 2022/2023).

## **Selective Contracting**
